

## INDIRA GANDHI NATIONAL OPEN UNIVERSITY VISA KHAPATNAM REGIONAL CENTRE

### “ONE STUDENT-ONE TREE”

### “ఒక విద్యార్థి-ఒక చెట్టు” కార్యక్రమంలో ఇగ్నో

- An unique programme launched by the MHRD, Govt. of India for Environmental protection
- Every Student has to plant one Tree in his/her tenure as student
- IGNOU initiated many programmes to give more publicity to this initiative.

Indira Gandhi National Open University (IGNOU) Regional Centre, Visakhapatnam has actively participated in the “One Student-One Tree” Programme prestigiously launched by the Government of India. As a part of this programme, every student who takes admission in to various programmes at colleges/Universities has to plant at least one tree and safeguard the same in his/her tenure a student of that college/University. Regional Centre initiated this programme in the Region by conducting a plantation drive at RC premises and nearby Colony. Staff of the Regional Centre, Students and Academic Counsellors have actively participated in the programme and planted about 20 trees at various places and made arrangements to water them on regular basis. Regional Centre has instructed the Learner Support Centres in its jurisdiction to conduct similar programmes and to take this grand initiative of the Govt. of India to each and every locality in the region.
